Michael Gastaldo (mikegas@gte.net) writes:

Commissioner Adelstein-

I luckily caught part of your statements regarding the "ownership issue" on a late night C-Span broadcast.

I wanted to thank and commend you for the depth of your research and the farsightedness of your arguments.

I am wondering if there is any way to see a full version of your remarks. I would like very much to read the entire statement.

I was very disappointed that your remarks seemed to fall on deaf ears among your republican colleagues. I was disappointed but not surprised.

Please know that there are thousands of people who follow these issues and applaud your efforts - -and millions more who would do the same, if only they knew what these arguments were about.

thanks again for your devotion to the value of free media in our country.

If this vote is passed it will undoubtedly result in a drastic loss of free speech in the media, and a loss in competition and diversity in all forms of media in the US.
